## 4 Pillars of Our Activities

### Networking and events

We address various topics and subjects, we inform and exchange good business practices. At the same time, these events represent an excellent opportunity to expand your acquaintances and knowledge.

### Advocacy

There are 8 working committees operating in AmCham Slovenija's advocacy framework, and these include over 320 representatives of companies, our members, who are experts in their fields. With our knowledge and vision, we wish to contribute to forming a better business environment and quality of life in Slovenia.

### Young Platform

### International Collaboration

We represent an entry point for Slovenian companies that want to penetrate the US market, and open doors to investors into Slovenia. We are also part of the AmChams in Europe network and currently hold the seat of the organization.
