

Slovenia Business Bridge™ – Top 10 Startups

Are you ready to showcase your innovation on a global stage?

This year, Slovenia Business Bridge™ – taking place in Ljubljana 13th and 14th November 2025 – opens its doors to **startups with clear vision breakthrough innovations** and **ambition to go global**. We are selecting the **Top 10 startups** to present directly to a circle of international investors and business leaders during the flagship Slovenia Business Bridge™ conference.

Why Apply?

- **Visibility, Exposure & Promotion** – Present your solution to decision-makers, investors, and global business partners.
- **Direct Investor Access** – Gain invaluable exposure to international capital and corporate networks.
- **Doors Opening** – Build connections that accelerate your growth and scale your business beyond borders.
- **Special Opportunity** – By jury selection, one outstanding startup will also secure a place at **the 2026 U.S. delegation** dedicated to biotechnology – a unique chance to expand into one of the most dynamic global markets.

About Slovenia Business Bridge™

Slovenia Business Bridge™ is a high-level international business & investment conference connecting **innovation with capital, entrepreneurship with industry, and exposing breakthrough ideas to global opportunities**. It is where **startups meet corporates, investors meet visionaries, and Slovenia opens its bridge to the world**.

Who Should Apply?

We are looking for **early-stage and growth startups** with breakthrough innovation, clearly demonstrated and tested scalable solution or an MVP, and the ambition to expand internationally. We especially welcome those connected to **biotechnology and life-sciences sectors** – shaping the future of health, sustainability, and technology. Yet, innovations know no limits, and founder with any visionary idea/solution solving challenges of tomorrow are encouraged to apply.
